

~ Deep Christian Roots, nurturing strong growth, flourishing children. ~

Wow!~What a lot of sport!

It has been fantastic to see so many children involved in sports. Whilst we relish a challenge and have often won our games, we understand the importance of enjoying being active and having a great sportsman-like attitude. The children at Mrs E's are consistently supportive of each other and other teams and are polite and respectful- I am very proud of them. I hope they find a pastime that allows them to have a life-long love of physical activity or exercise!

Tournaments

We have many tournaments to look forward to this academic year with a range of skills and ages. These tournaments are played with other schools across the MAT and are arranged by Mr Troman at Primary Sports.

Last year, the children explained that they, "Loved getting to know other children across the schools in a fun and enjoyable way." These tournaments are inclusive and encourage all children to take part.

So far this year, children in Year 5/6 attended a tag rugby afternoon with Mrs Morgan and celebrated coming third. They had a fantastic attitude and they worked well as a team.

Football

Two teams in Year 5 and 6 trialled for the Kenway Cup. Both teams played exceptionally well, and their team spirit was extremely admirable.

The final scores were very close, and we are pleased with everyone.

As a school, we are excited as one team will be going forward to play other schools in the quarter finals.

Good Luck!

PE Lessons

The children have received specialist coaching from Primary Sports, in addition to PE with their teachers. We are extremely fortunate to be able to provide both expertise and enthusiasm from both! Over the course of the year, we ensure there is a balance of multi-skills sports, dance, yoga, gymnastics and athletic activities- hopefully something to appeal to all!

Forest Schools

Forest school has been enjoyed by every child in Reception, 5 and 6. Children in Year 6 have said, "We have enjoyed learning outside, using tools and natural resources to make shelters, dens and houses."

Sport Ambassadors

Children in Year 5 and 6 enjoyed attending a day in Weymouth learning how to become a Sports Ambassador. Children across the school have appreciated having sport ambassadors and they have enjoyed having someone to help them with games at lunchtime. This will continue again next year with some Year 5 and Year 6 pupils.

Clubs

What a busy first term of sport clubs. The children have had the opportunity to partake in many sports including; Wii-dance, football, dodge ball and first aid. The children have thoroughly enjoyed these and have said, "We enjoy having fun and learning with our friends."

First aid club has been very popular and children in KS2 have enjoyed learning CPR, how to bandage wounds successfully and how to care and look after someone who is injured. First aid was so popular that this will be continuing next half term for those children in KS1 who are interested.

We look forward to seeing the children as eager in the next term, enjoying new or existing sports whilst learning and having fun.

Stockland Races

What a fantastic first two races for everyone who took part in KS2 this year. All children have enjoyed the course - muddier the better, I think!

Children are beating personal bests and are continually encouraging each other through emotional and physical support. There are 2 more races to come - I am sure they will continue with their hard work and determination.

Thank you to all parents for your continued support so far with transport and marshalling for the event.

If there are any parents that are happy and able to volunteer for sports clubs next term, please let Mrs Williamson know.
